

PRIVACY POLICY CRYPTON DIGITAL, SE

Your personal data by **C NT PROJECT MANAGEMENT LLC**, registration number: 1073325, with registered office at 23 Boulevard Plaza Tower 2, Dubai, United Arab Emirates (hereinafter referred to as the "**Operator**"), which occurs on the website <https://crypton.network> and on the Operator's profiles on social networks and in the provision of services and organization of events by the Operator.

Through this Policy, the Controller provides you with information about why your personal data is processed, how it is processed, how long the Controller stores it, what your rights are in relation to the processing of your personal data and other relevant information about the processing of your personal data. Through this Policy, the Controller fulfils its information obligation towards all data subjects both if the Controller has obtained personal data directly from you as a data subject and if the Controller has obtained your personal data from another source.

The Controller processes your personal data in accordance with Regulation 2016/679 of the European Parliament and of the Council of the European Union on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (General Data Protection Regulation) (hereinafter referred to as the "**Regulation**"), Act No. 18/2018 Coll. on the protection of personal data and on amendments and supplements to certain acts (hereinafter referred to as the "**Act**"), or other regulations on the protection of personal data (hereinafter referred to as the "**Data Protection Regulations**").

The protection of your personal data is one of our priorities, which is why we transparently inform you about the processing of personal data in this document, as well as about **your rights that you** can exercise as a data subject against the Data Controller. At the same time, in this Notice you will find information about the specific purposes for which we process personal data, which of your personal data or what types of personal data we process, on what legal basis, to whom we provide your personal data, etc.

You may contact the Data Controller in matters relating to the processing and protection of personal data at **C NT PROJECT MANAGEMENT LLC**, 23 Boulevard Plaza Tower 2, Dubai, United Arab Emirates or by email to info@crypton.digital. The Controller has not designated a data controller in the area of data processing and protection.

1. CATEGORIES OF PERSONAL DATA

The controller processes your personal data **in accordance with the principle of minimisation** so that it can fulfil the concluded contracts, legal obligations, process personal data for which it has a legitimate interest or process your personal data for which you have given your consent. The controller shall only ever process personal data to the extent necessary to fulfil the intended purpose of the processing. This means that the Controller does not request personal data from you that is not necessary for the specific purpose of the processing.

The specific categories of personal data that the Data Controller processes about you for the individual purposes of processing are specified below in the table of purposes.

2. SOURCE OF PERSONAL DATA

The Controller obtains your personal data directly from you as a data subject when you provide it to the Controller (e.g. when concluding a contract - registering on the Controller's website, when identifying and verifying your identity in accordance with the regulations on protection against money laundering or when visiting the Controller's website).

In some cases, in particular where **a commercial company or other entity of which you are an**

agent or contact person enters into a contract with the Controller, it is this entity that is the source of your personal data.

3. PURPOSES, LEGAL BASIS FOR PROCESSING AND RETENTION PERIOD

The controller shall only process your personal data for justified purposes, for a limited period of time and using the maximum possible level of security. **The controller shall only process personal data if there is a legal basis for processing it and it is therefore processed in accordance with the principle of lawfulness.** The controller shall always store personal data in accordance with the principle of minimisation. This means that he/she processes personal data only for as long as it is necessary to keep the personal data. After this period, the Data Controller shall delete the personal data, unless otherwise provided for by law.

Please see **the table below** for the specific purposes of processing, the legal bases and the retention period of your personal data depending on the specific purpose of processing. The Data Controller will also provide you with more information about the retention period of your personal data if you request it.

4. JOINT OPERATORS

For the purposes of processing your personal data "**Performance of obligations in the exercise of care towards the client and in the detection of an unusual business operation (identification of the client and the business operation, including copying and scanning of official documents and data storage) - identification of the client to carry out online transactions and the fulfilment of other obligations in the field of protection against money laundering as an obliged person (KYC)**", the means and purposes of processing personal data of the data subjects are determined, in addition to the Data Controller, by UPDN ONE s.r.o., Bohdalecká 1420/6, Michle, 101 00 Praha 10, Czech Republic, ID No.: 026 54 962, which, when processing personal data for the aforementioned purpose, processes the personal data of data subjects in the capacity of joint controllers together with the Controller (hereinafter referred to as "**Joint Controllers**").

The Joint Controllers have determined their mutual responsibilities for compliance with their obligations under the Data Protection Regulations in the Joint Controllers' Agreement entered into pursuant to Article 26 of the Regulation, pursuant to which:

- The tasks of the contact point for data subjects in relation to the processing of personal data are performed by the Controller,
- The obligations to provide the information referred to in Articles 13 and 14 of the Regulation to data subjects shall be fulfilled by the Controller,
- The duties and tasks related to the exercise of the rights of data subjects shall be performed by the Controller, in accordance with the procedure set out in Article 6 of this Privacy Policy.

Notwithstanding the foregoing portions of the Joint Controllers Agreement, each Data Subject shall be entitled to exercise his or her rights under the Privacy Regulations with and against each of the Joint Controllers.

5. DOES THE CONTROLLER USE PROFILING AND AUTOMATED DECISION-MAKING?

The controller does not use profiling when processing your personal data and does not process personal data in any form of automated individual decision-making, which would lead to the evaluation of your personal aspects.

6. RECIPIENTS

Your personal data may be disclosed to recipients - government authorities, courts, law enforcement authorities, supervisory authorities in the field of protection against money laundering, consumer protection or payment services, which are entitled to process your personal data in certain cases.

In some cases, we also provide your personal data to other entities, in particular to third parties who are joint controllers in accordance with the previous article, to UPDN ONE s.r.o. and to our processors with whom we have concluded contracts of entrustment for the processing of personal data and we keep a transparent list of all our processors. Our processors include: **web development service companies, website management companies** (including hosting services and advertising and marketing services), **a newsletter company, an accounting service company** and **our sales representatives** (natural persons - entrepreneurs) **within the framework of the affiliate program on the website.**

When processing your personal data, we only use processors who have taken appropriate technical and security measures to meet the requirements of the Data Protection Regulations for the secure processing of your personal data.

The recipient of your personal data are also the operators of the social networks and communication media Facebook, INSTAGRAM, Twitter, LinkedIn and Youtube in the event that you contact the Operator via a message on one of the aforementioned social networks or if you give your consent to the publication of your personal data on these social networks and communication channels.

7. TRANSFER TO THIRD COUNTRIES AND INTERNATIONAL ORGANISATIONS

In some cases, the processing of your personal data by the Controller involves the transfer of your personal data to third countries:

- if you subscribe to the newsletter or if you are sent a client newsletter, your personal data is transferred to SendGrid, a US company that is the operator of the service used by the Operator for the distribution of newsletters,
- if you consent to the storage of analytical and marketing cookies, your personal data will be transferred to the USA, to Google LLC and Facebook, Inc., which are used by the Operator for the purpose of measuring traffic and activity on the Operator's website,
- if you contact the Controller by means of a message on social networks or if you give the Controller your consent to disclose your personal data on social networks or other communication channels (Facebook, INSTAGRAM, Twitter, LinkedIn and Youtube), your personal data will be transferred to the USA, to the companies Facebook Inc., Google, LLC, Twitter, Inc., LinkedIn Corporation, which are the operators of the above-mentioned social networks and communication channels.

The transfer of your personal data is secured in all of the above cases by means of standard contractual clauses which are in accordance with the terms of use

the aforementioned services are part of the contracts of entrustment with the processing of personal data concluded with the entities specified above.

8. WHAT ARE YOUR RIGHTS IN RELATION TO THE PROCESSING OF PERSONAL DATA? You

have the following rights as a data subject in relation to the processing of your personal data:

Your right	Description
<p>Right of access - As a data subject, you have the right to obtain confirmation from the Data Controller as to whether it is processing your personal data and, if so, to obtain access to that personal data and information pursuant to Article 15 of the Regulation. The Controller will provide you with a copy of the personal data that is being processed. If you make a request by electronic means, the information will be provided to you by the Controller in a commonly used electronic format, unless you request otherwise.</p>	<p>Right to erasure ("right to be forgotten") - You also have the right to obtain from the Data Controller the erasure of your personal data without undue delay if certain conditions are met, for example, if the personal data are no longer necessary for the purposes for which they were collected or processed by the Data Controller. However, this right of yours must be considered on a case-by-case basis, as there may be situations where the Controller is prevented from erasing your personal data by other circumstances (for example, a legal obligation of the Controller). This means that in such a case, the Data Controller will not be able to comply with your request to erase your personal data.</p>
<p>Right to rectification - To ensure the accuracy, completeness and timeliness of your personal data, the Controller has taken reasonable measures. As a data subject, you have the right to have your inaccurate personal data rectified or your incomplete personal data completed by the Controller without undue delay.</p>	<p>Right to restriction of processing - You also have the right to have the Controller restrict the processing of your personal data. This will be the case, for example, if you contest the accuracy of the personal data or if the processing is unlawful and you request the restriction of processing, or if the Controller no longer needs your personal data for the purposes of processing but you need it to prove, exercise or defend legal claims. The Controller will restrict the processing of your personal data if you request it.</p>

<p>Right to data portability - In certain circumstances, you have the right to have your personal data transferred to another data controller that you designate. However, the right to portability only applies to personal data that the Data Controller processes on the basis of the consent you have given to the Data Controller, on the basis of a contract to which you are one of the parties or where the Data Controller processes personal data by automated means.</p>	<p>RIGHT TO OBJECT - You have the right to object to the processing of your personal data, for example, if the Controller processes your personal data on the basis of a legitimate interest or in the case of processing involving profiling. If you object to such processing of your personal data, the Controller will not further process your personal data unless it demonstrates the necessary legitimate grounds for further processing of your personal data.</p>
<p>RIGHT TO WITHDRAW CONSENT - If the Controller processes your personal data on the basis of your consent, you have the right to withdraw the consent at any time in the same way as you gave it. Withdrawal of consent does not affect the lawfulness of processing carried out prior to the withdrawal of consent.</p>	<p>Right to lodge a complaint or complaint - If you feel that your personal data is being processed in violation of applicable law, you may lodge a complaint with the supervisory authority, which is the Office for Personal Data Protection of the Slovak Republic, located at Hraničná 12, 820 07 Bratislava 27; website: dataprotection.gov.sk, phone number: 02 3231 3214; e-mail: statny.dozor@pdp.gov.sk.</p>

You can exercise your rights referred to in the preceding paragraph of this Policy by contacting the Operator's contacts listed at the beginning of this Policy.

The answer to the exercise of your rights will be provided to you by the Operator free of charge. In the event of a repeated, unfounded or unreasonable request for the exercise of your rights, the Controller is entitled to charge a reasonable fee for the provision of information. The Controller shall provide you with a reply within 1 month from the date on which you exercised your rights. In certain cases, the Controller is entitled to extend this period, in the event of a high number and complexity of requests from data subjects, but not more than 2 months. The Controller will always inform you of the extension of the time limit.

9. SOCIAL MEDIA AND LINKS TO OTHER WEBSITES

As part of the marketing and advertising support, you will find links to various social networks such as Facebook, INSTAGRAM, Twitter, LinkedIn or other online communication channels such as Youtube on the Operator's website. The Operator hereby wishes to inform you that once you click on the add-on on the website and go to the social network or communication channel, the privacy policy of the operator of the social network or communication channel will start to apply, unless you contact the Operator via a message on the social network (in which case the processing of your personal data is also governed by this Policy and your personal data is processed by the Operator in accordance with the information provided above).
